Event Production Assistant

Paid & Internship Opportunities Available

Office of Cultural Affairs staff members work on projects and programming that serve the art and cultural community in Jersey City. You'll have the opportunity to connect with your neighbors while working on events that range in attendance from 100 to 100,000 specific to JC's arts, music, and cultural scene. Your insights and skills will help improve and expand upon our diverse range of community events and activities.

The ideal candidate will be a self-starter that can work both independently and in a team dynamic to turn ideas into action and make events more dynamic for our Jersey City community. S/he will possess a passion for bringing people together through Jersey City's arts, music, and cultural programming. Candidate will have the opportunity to be hands-on in all stages of event production, from planning logistics to promotion and day-of event management. S/he will be a critical thinker that can find creative solutions to issues as they arise.

Candidate must be a New Jersey resident and have availability to work evening and weekends. Valid driver's license and vehicle preferred, but not required.
